Simply The Best

CATWATCH covers an area of 1,350 square feet (125 square metres)
Inaudible to humans, harmless to cats, economic to run
Total cost is £75 each including mains adaptor,
20% VAT and P&P in the UK

CATFREE covers an area of 950 square feet (88 square metres)
Inaudible to humans, does not affect other animals
Total cost is £45 each including mains adaptor,
20% VAT and P&P in the UK

PESTFREE covers an area of 950 square feet (88 square metres)
Inaudible to humans, banish cats, dogs, martens, foxes & rabbits
Total cost is £50 each including mains adaptor,
20% VAT and P&P in the UK

PESTCONTROLLER covers an area of 1,000 square feet (92 square metres)
Mouse and rodent deterrent, it has also been reported to be effective on rats
This unit will only run off a PP3 battery
Total cost is £25 each, 20% VAT and P&P in the UK

All these ultrasonic units are supplied with full instructions of how to fit them.

If you do not require a mains adaptor, which includes 10 metres (32 feet) of cable with Catwatch, Catfree or Pestfree units, then please deduct £15 from the listed price.

Extension lead kit with 10 metres (32 feet) of cable and special connector kit are available for Catwatch, Catfree and Pestfree units. This allows you to run two units off just one mains adaptor. Total cost is £13 including 20% VAT and P&P in the UK.

All these units can be operated by fitting a 9 volt PP3 battery (not supplied). It is strongly recommended to use either a duracell battery or any other alkaline battery.

All products listed in this advert are manufactured in the United Kingdom and are covered by a genuine two year warranty. This guarantee is offered in addition to your statutory rights.
